Construction is complete on NCVAN’s Crime Victim Memorial Garden “Victims’ Voices...Silent No More.” However, you can still purchase a memorial brick to be laid in the Garden. Located on E. Lane Street in Raleigh across from the Legislative Building, the garden is designed to be inspirational and motivational. The design gives an opportunity to remember those who have been harmed by crime while also raising positive thoughts about hope for our future generations. In addition, the Garden provides a tranquil and reflective spot for visitors to the Capitol area.

If you would like to contribute to the Memorial Garden please fill out and return the form below.
